The aim of the tool is to help and enhance the Hyundai/Kia dealer's work. To find out if the tool is compatible with your Hyundai/Kia vehicle, you should check out the detailed list of supported vehicles. Features:-full diagnostic coverage for all vehicles since 1996-fully integrated in the Kia/Hyundai web site to make the work of Hyundai and Kia dealers easier-USB and PC interfaces for the PC version-MS-DTA tool is a universal diagnostic tool. You can connect to your OBD2 port with a wide range of different OBD2 readers and scanner-broad supported cars includes M100, Ceed, Daewoo, Vios, Vios Ceed, Epoca, Onyx, Elantra, Vitz, Vix, Ioniq, Tucson, Sorento, Avante, Ixion, Veloster, Azera, Sorento, Ioniq Requirements:-Windows XP or higher-Flash Player 7.0 or higher (alternatively get the PDF driver from [HERE](#))-A JTAG capable USB reader (see list of supported readers)-A PC with an OBD2 port (example interface for UBDISO is not included) Note:-MS-DTA will only work on systems without anti-malware (try to check if your anti-malware is blocking the tool). If you use some anti-malware tools, please make sure that it will not block the tool.-In case you plan to use the USB port for other tools, please remove the MS-DTA app from the USB port. The app will set the device serial number and the USB port will not be available for other tools.-The tool is constantly improving and it is not recommended to use it on the production vehicle.As Russian-backed forces loyal to Syrian President Bashar al-Assad continue their assault on Aleppo, which is Syria's largest city, far-right leaders have been vigorously asserting the need for a direct U.S. military intervention to protect Christians. This has been the case since the start of the Syrian conflict, but has received renewed prominence over the past few days, and in particular with the arrival of dozens of American tanks in the town of Azaz on the Syrian-Turkish border. Speaking to reporters, Simon Sama, an expert on religious geopolitics, said that this was the "full spectrum" of rhetoric used by Christian nationalist leaders in the U.S. 82157476af
